LVRFA Parent Code of Conduct

Welcome to the Long Valley Raiders Football Association. We would like to communicate to you the following information regarding our program. Both parenting and coaching are extremely difficult vocations. By establishing an understanding of each position, we are better able to accept the actions of the other and provide greater benefit to our athletes. When your children become involved in our program, you have a right to understand what expectations are placed on your child. This begins with clear communication from the coach of the child's program.

Communication you should expect from your child's coach:

1. Philosophy of the coach.
2. Locations and times of all practices and games.
3. Team requirements; e.g. practice attendance, equipment, out of season conditioning.
4. Procedures should your child be injured during participation.
5. Discipline that may result in the denial of your child's participation.

Communication coaches expect from parents:

1. Concerns expressed directly to the coach.
2. Notification of any schedule conflicts well in advance.
3. Specific concerns with regard to a coach's philosophy and/or expectations.

As your child becomes involved in the LVRFA, they will experience some of the most rewarding moments of their lives. It is important that they and you also understand that there, at times, may be some challenges you both experience. During these times, you are encouraged to have a discussion with the coach.

Examples:

1. The treatment of your child, mentally and physically.
2. Ways to help your child improve.
3. Concerns about your child's attitude.

As you have seen from the list above, certain things can be and should be discussed with your child's coach. *Other areas should be left to the discretion of the coach.*

Examples:

1. Team Strategy.
2. Other student athletes.
3. Playing time.

Playing time and positions are decided at the discretion of the coaching staff and abide by the LVRFA by laws. Parents are not to influence or create conflict with these decisions.

Any concerns regarding these issues should be addressed to the Coach's team liaison, who will review the concerns with the coaching staff.

Parents must remember that Coaches are volunteers and make judgments based on what they believe to be best for all athletes involved. If a Parent is not satisfied with the manner in which their concerns may be handled by the coach, they can elect to approach a Board member and ask for intervention to review the issue.

LVRFA Parent Code of Conduct cont.**FOOTBALL CODE OF CONDUCT**

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these “six pillars of character.”

I therefore agree:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun, and that the game is for youth, not adults.
3. I will inform the LVRFA of any physical disability or ailment that may affect the safety of my child or the safety of others.
4. I will learn the rules and policies of the league.
5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and demonstrating positive support for all players.
6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as taunting or using profane language and gestures.
7. I will not encourage any behaviors or practices that would endanger the health and well being of the athletes.
8. I will demand that my child treat other players, coaches, officials, and spectators with respect, regardless of race, creed, color, sex or ability.
9. I will never ridicule or yell at my child or other participant for making a mistake or losing a competition.
10. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take time to speak with coaches at an agreed time and place.
11. I (and my guests) will not interrupt practices or games expecting to talk with the coaching staffs. All concerns should be addressed to the Coaches liaison, who will approach the staff in the event of a concern requiring immediate attention. All conversations with the coaching staff are to be reserved for after practices or games (conversations before practices or games will be at the coach’s discretion).
12. I will refrain from coaching my child or other players during games or practices, unless I am one of the official coaches of the team.
13. I will meet with the coaches before the first day of practice, or my child will not be able to participate until I do.

14. I will recognize the importance of volunteer coaches and support the program.
15. I will make myself familiar with and agree to abide by the rules and regulations of:
Washington Township, Morris County Youth Football League, and the LVRFA

I also agree that if I fail to abide by the aforementioned rules and guidelines, I may be subject to disciplinary action that could include, but is not limited to:

- Verbal warning by coach, official, or LVRFA.
- Parental game suspension with written documentation of incident kept on file by the LVRFA.
